

Administrative Procedure: Smoke Free Environment

As a result of any infraction of the Tobacco Control Act, the Board has approved the following additional disciplinary action:

1. After the first occurrence, the Public Health Department may be contacted.
2. After the second occurrence, the Public Health Department may be contacted.
3. After the third occurrence, the Public Health Department must be consulted regarding further legal action.
4. The school administration will complete the public health documentation supplied by the Public Health Department (smoking infraction form).
5. The school administration will carry out disciplinary action they see appropriate either in conjunction with the Public Health Department or independently.
