June 1, 2018

Dear Parents/Guardians:

The Superior North Catholic District School Board stands for Catholic values, student well-being and student success.

As stated in media releases in the last two days, the OPP has charged two former Board employees with fraud and breach of trust. Given that the matter is before the Courts, the Board is not in a position to make any detailed statements regarding these charges.

I can advise you that in January 2018, the Board of Trustees appointed an interim Director of Education to lead our Board. Our senior team, principals, teachers and staff continue to serve your children everyday with enthusiasm and kindness. As the Chair of the Board, I assure you that our students are the Board's first priority and our staff is working with that focus in mind.

Hugh McCorry  
Chair of the Board
