## Business Arising out of Minutes

### New Business

#### 1 Board Math Plan for 2019-2020 - Peter Kutok

Mr. Kutok provided a Math Presentation/Plan for parents with a recap of last year's math learning and updating for this year 2019-2020 and the resources and training needs that will help and support our staff.

#### 2. CPIC Funds - Update on Dr. Alex Russell presentation

Ms. Figliomeni mentioned that Dr. Alex is interested in presenting to our teachers and parents with the funds available in our CPIC budget. Another idea that was shared is a Parent resource library for each school with resources available for parents, or have books available after a presentation that parents have attended. We could offer these presentations through zoom. This idea will be reviewed at a future meeting. Dr. Jody Carrington was another choice of presenters.

#### 3. Create a Survey to Parents

For advertising for this meeting, we created a poster that was shared with all schools and advertised on Facebook. It was discussed if we should create a survey to ask questions on the time of day, style of meeting, with parents' input on what is preferred. Ms. Patterson will prepare the survey after assistance with Ms. Mounayer on ideas to include in the survey. This will be emailed to CPIC members for their input and when completed it will be shared board-wide with parents.

#### 4. Job Actions

We are currently in Job Action. No board-level professional development has occurred due to this reason. Self-directed professional development is accepted. Our Math Leads are being invited into classrooms to assist students. Prime data has been collected and is currently being analyzed.

#### 5. CPIC poster and CPIC pamphlet - Feedback

Ms. Mounayer mentioned that we created a CPIC poster and pamphlet to share with schools and parents with an explanation of what is involved with the committee. The poster was created for our current meeting and will continue for future meetings and shared with schools and social media. The pamphlet will be included in the JK information package for next year. It will also be sent out in the beginning of the school year.

This information came in this week. The Ministry would like parents to complete a survey that is located on the ministry website. This will be completed by parents across the board. The survey ends on March 31st.
