

Superior North Catholic District School Board

It is the policy of the Superior North Catholic District School Board to provide an environment in all of its facilities, that builds independence, dignity and respect for our students, parents/guardians, the public and our staff.

Further, we are committed to giving people with disabilities the same opportunity of access to our services in the same location and in a similar way as these services are available to all others we serve.

The general public can access the Board's Accessibility Standards policy and administrative regulations through our web site www.sncdsb.on.ca or request a copy from our schools.

We would be pleased to receive any feedback from the public, on our diligence in keeping within the policies and administrative regulations governing access to our board facility and schools. Feedback forms are available on the board web site or from our schools.
