

Policy: Allocation Of Staff

Policy Statement

The Mission of the Superior North Catholic District School Board is to provide superior Catholic Education to the students in its care.

In order to provide stability to the school environment, staff will be allocated within the financial limitations of the Board. The allocation of staff will be determined by administrative regulation which may change from time-to-time by Board approval.

Generally, staff will be allocated based on the enrolment of the school on September 30th of each year.
