### SCHOOL COUNCIL UPDATES

Our first School Council meeting was held on Sept. 19 in the Staff Room. Thank you to Jerrie-Rae, Candace, Colleen, and Rachel for coming out. Candace Cherneski will be our Chairperson for the year and we love to have parents out to learn and share. [Our next meeting is .](#)

## Grade 2/3

The Grade 2/3 Class led a service on Forgiveness.

## Grade 4/5

We have continued to focus on a quick, whole-group math lesson each morning, and enjoy showing our thinking using whiteboards. We had the pleasure of Mrs. MacDonnell teaching us about the Group of Seven and showing off our watercolour painting skills. It's been a blast having Miss Patterson join our class to practice becoming a teacher!

## Grade 7/8

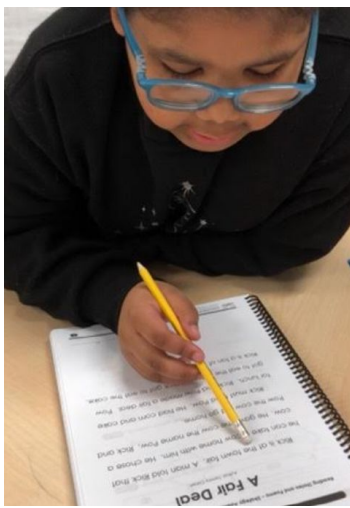

The 7/8s had another busy month full of learning! They prepared some baking and cake pops for their bake sale fundraiser. They helped lead the Stations of the Cross, and they had an awesome basketball tournament in Manitouwadge. Way to go Grade 7/8's!

## LEARNING FOR ALL

Students are using their knowledge of letter sounds to build and sound out words.

## CHILD & YOUTH WORKER

# Roots of Empathy

## Racines de l'empathie

Ms. Pay has been running the Roots of Empathy program with the 7/8 class. Baby Indie is able to crawl now!

# OUR SNCDSB STRATEGIC PLAN IN ACTION AT HSS

TEACHING  
EXCELLENCE

**Math and Literacy** are two focuses for us as we are all learning together. We have been learning with Doug Duff using cuisenaire rods and open number lines in math; and in literacy we are using UFLI, Heggerty and Lexia to continue to develop strong readers.

**WHERE: HOLY SAVIOUR SCHOOL**  
**WHO: HOLY SAVIOUR STUDENTS and FAMILIES**  
**WHAT: MATH GAMES**  
**WHEN: MAY 1ST, 2024 FROM 6-8PM**  
**WHY: MATH GAMES are FUN!**

**Gimkit**

The Grades 6-8 Basketball team are focusing on the transition to sports in secondary school. They did this by playing against future teammates and rivals at Manitouwadge High School. Go Huskies!

FOCUS  
ON THE  
FUTURE

## our MARCH VIRTUE was FORGIVENESS

Ms. Tsubouchi and the Grade  $\frac{2}{3}$  class led a service on Forgiveness. Students did some roleplay and discussions on what it means to forgive. Nice work grade  $\frac{2}{3}$  class!

Ben Tinney and Shirley Cooper came to HSS to post a story book in our trails. Getting the students to read outdoors is known as place-based learning. Thank-you for helping our students enjoy reading outdoors!
